

MAKE SURE YOUR

VOTE COUNTS

Here are **SIX SIMPLE STEPS** you can take on Election Day to protect your voting rights.

- 1 MAKE SURE YOU KNOW THE LOCATION** of your polling place and your correct precinct. Many have changed, and a vote at the wrong place may not be counted.

- 2 BRING IDENTIFICATION TO THE POLLS**, preferably a government-issued photo ID with your registered address. Check your state's website NOW to ensure you have the proper ID. Several states have passed strict photo ID laws and require a government-issued ID.

- 3 ASK FOR HELP** from poll workers and check posted signs if you have a question or need assistance.

- 4** Make sure you cast a vote. If you are in line when the polls close, you are entitled to vote and should **STAY IN LINE**.

- 5** If you are offered a provisional ballot, **ASK IF YOU MAY CAST A REGULAR BALLOT** by providing additional ID or going to another polling place. If no alternative is available or practical, cast a provisional ballot and follow up after Election Day. You can call the election Protection Hot Line before you leave the polling place.

- 6** If you have a voting rights problem, **TALK TO THE CHIEF ELECTION OFFICIAL OR A VOTING RIGHTS VOLUNTEER AT THE POLLS**, or call the toll-free nationwide **ELECTION PROTECTION HOTLINE, 1-866-OUR-VOTE**, a project of a coalition of groups promoting voting rights, including the AFL-CIO.
